SYNOPSIS:

Scream Queen Brinke Stevens (WITCHOUSE 3: DEMON FIRE) is your host for this engaging look at the careers of nine actresses, from their first break to their journey inside an industry where they are often viewed as little more than window dressing — or worse yet, with no dressing at all! The femmes bare their souls with a focus on the fans, aging, on-screen nudity and the advent of the digital video feature, all revealed with rare footage, photographs and extensive film clips!

Spend an hour with the beautiful sirens of B-movie cinema who have screamed their way through the last several decades of your favorite horror and cult films!
